ACCOUNTABILITY INFORMATION REQUIRED BY THE FEDERAL NO CHILD LEFT BEHIND ACT

The information below is used to determine the Adequate Yearly Progress designation for your district. A district is designated as *Not Meeting AYP* if any indicator is determined to be *Not Met*. The Student Achievement and Student Participation ratings are based on 2008-2009 and 2009-2010 Oregon Statewide Assessments for the students in your district identified as enrolled for a full academic year. The statewide goal for the minimum percentage of students expected to meet or exceed standards is 60% in English/Language Arts and 59% in Mathematics. Student Participation is expected to be 95% or greater. The statewide goal for the minimum graduation rate is 68.1%. The statewide goal for the minimum attendance rate is 92.0%. The National Assessment of Educational Progress (NAEP) provides state level results for grades 4 and 8. Results are based on representative samples of students. NAEP does not provide results for individual students, schools, or districts in Oregon. The table below lists the most recently available NAEP data for reading and mathematics. Small differences between results for Oregon and the U.S. may not be statistically significant. For more information, see http://nces.ed.gov/nationsreportcard.

2009-2010 District Report Card

Sutherlin
School District

Dear Parents and Community Members, October 7, 2010

The Oregon Department of Education is proud to issue the 12th annual school Report Card. This year's high school report cards include a new graduation calculation called a "Cohort Graduation Rate" which tracks the number of students graduating within four years. As in previous years, this report card contains two ratings: an Oregon rating and a federal rating. Oregon rates schools as either Outstanding, Satisfactory, or In Need of Improvement, and while these ratings cannot tell you everything about your school, they are a good starting point for talking about our successes and opportunities for improvement.
